CENTRAL ZONE CHAMPIONSHIP PROCEDURES FOR INCLUSION OF SWIMMERS WITH DISABILITIES

1. Swimmers with disabilities may compete without having achieved the qualifying standard for their age group. However, they must provide a time for each event they enter. Swimmers with disabilities shall be highlighted on the hard copy of the LSC's meet entry. Classification of a swimmer with a disability is irrelevant. LSCs must use the attached form to enter a swimmer with a disability.
2. Each LSC may select two swimmers with disabilities age 12 and under and two swimmers age 13-14 in any manner deemed appropriate. Examples of selection criteria and procedures are available from the Central Zone Director.
3. Swimmers with disabilities may compete in finals, earn awards and score points for their team in the same manner as the able bodied swimmers. No special awards are necessary.
4. It is the responsibility of the swimmer, or his/her coach, to inform the Meet Referee of any disability-related accommodations he/she may need to compete. This information must be given in advance of the meet. The Meet Referee shall inquire about the swimmer's needs and determine any modifications that may be required. This information shall be relayed to the starter and stroke and turn judges. Visually impaired swimmers who require tappers must bring their own devices and individuals to use them.
5. Aside from the norm, the Meet Referee has the ability to seed the swimmer with a disability in a number of ways. These options include: seed the swimmer with others of the appropriate gender, allowing the swimmer to complete half the distance of their age group (swim the 100m backstroke during the 200m race), or swim with a younger age group where their entry time is similar to the able-bodied swimmers for the same distance (a 15 year old swimmer with a disability could swim the 100 freestyle with the 9-10 age group). The final meet results should show the swimmer with a disability listed in the correct age and event, regardless of where he/she actually competed. The Meet Referee may reassign the lane of a deaf swimmer if a required view of the strobe light is obscured, and the light cannot be repositioned.
6. It is the responsibility of the USA Swimming Disability Chair to provide the Meet Referee with current American Records for swimmers with disabilities. It is the swimmer's responsibility to complete and submit an application for an American Record should one be set.

USA Swimming may also conduct hearings on any matter affecting USA Swimming as the National Governing Body for swimming."

 - A. The Representative of the host LSC;
 - B. The person(s) who committed the offense;

6. Within 30 days of the official report, the LSC must advise the Zone Directors, in writing, that the review process has been initiated. The LSC must also advise the Zone Directors of the final action taken. If the consensus of the Zone Directors and Coordinators is that the LSC of the person(s) charged did not take appropriate action, the matter may be referred to the National Board of Review for hearing and decision.
